

George Washington  
Grade 3

Spring 2022-2023  
May 12, 2023

## Overview NWEA™ MAP Reading Fluency Score Report

### Phonological Awareness

99<sup>th</sup> percentile

532<sup>Domain Score</sup>
**ZPD Skill:**  
Phonemic  
Manipulation

**MEETS**  
Grade Level  
Expectations

George's phonological awareness score is **above average** compared to 3rd graders in the Spring and **meets** grade level expectations for 3rd grade Spring.

### Phonics/Word Recognition

99<sup>th</sup> percentile

535<sup>Domain Score</sup>
**ZPD Skill:**  
Decodable-  
One Syllable

**MEETS**  
Grade Level  
Expectations

George's phonics/word recognition score is **above average** compared to 3rd graders in the Spring and **meets** grade level expectations for 3rd grade Spring.

### Language Comprehension

99<sup>th</sup> percentile

532<sup>Domain Score</sup>
**N/A**  
Picture  
Vocabulary  
Expectations

**N/A**  
Listening  
Comprehension  
Expectations

George's language comprehensions score is **above average** compared to 3rd graders in the Spring.

### Dyslexia Screener

**Not Flagged**

1.08  
Pictures/second  
RAN pg. 1

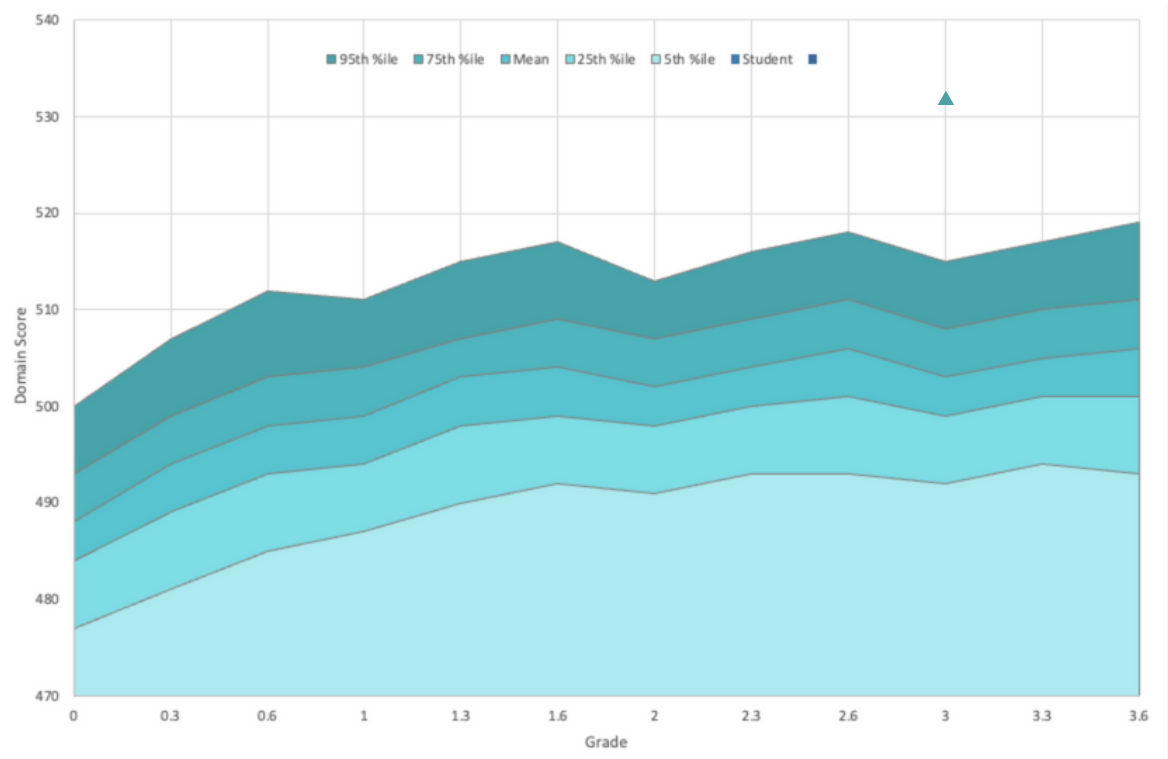

1.12  
Pictures/second  
RAN pg. 2

# Phonological Awareness

Noticing the sounds that make up spoken words, blending sounds to make words, and segmenting words into sounds.

## Domain Score Over Time

George's phonological awareness score is **above average** compared to 3rd graders in the Spring and **meets** grade level expectations for 3rd grade Spring.

Zone of Proximal Development (ZPD)

Rhymes & Syllables	Initial Sounds	Blending & Segmenting	REINFORCE
Rhyme Completion	Onset-rime Blending	Blending Phonemes	Phonemic Manipulation
Counting Syllables	Initial Sound Matching	Phoneme Counting	Phoneme Addition/Deletion
			Phoneme Substitution

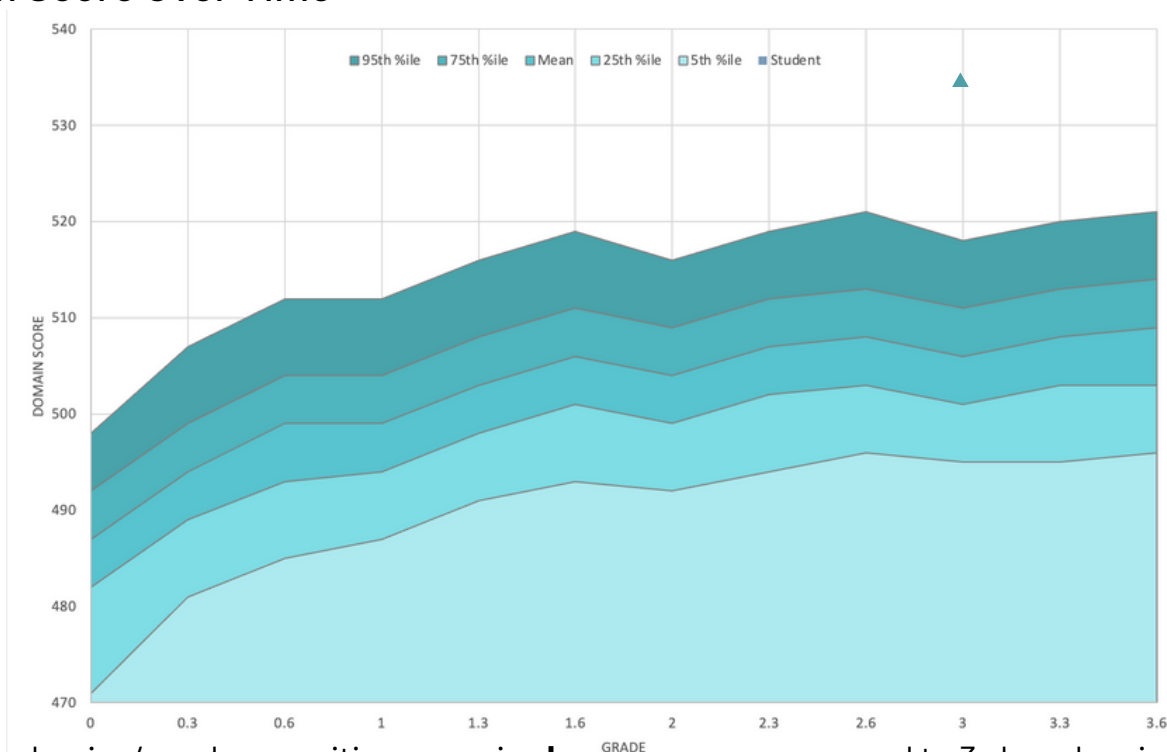

Recommended Activities

Phoneme Position Sort  
What's Left?

# Phonics/Word Recognition

Connecting letters to sounds and written words to spoken words.

## Domain Score Over Time

George's phonics/word recognition score is **above average** compared to 3rd graders in the Spring and **meets** grade level expectations for 3rd grade Spring.

## Zone of Proximal Development (ZPD)

Zone of Proximal Development (ZPD)			REINFORCE ↘
<b>Letters &amp; Sounds</b>	<b>Letters in Words</b>	<b>Decodable: CVC</b>	<b>Decodable: One-syllable</b>
Letter Sound Fluency	Build Words: One letter	Decoding: CVC	Decoding: Single Syllable
Letter Knowledge	Word Families: Initial Letter	Building Words: CVC	Building Words: Single Syllable

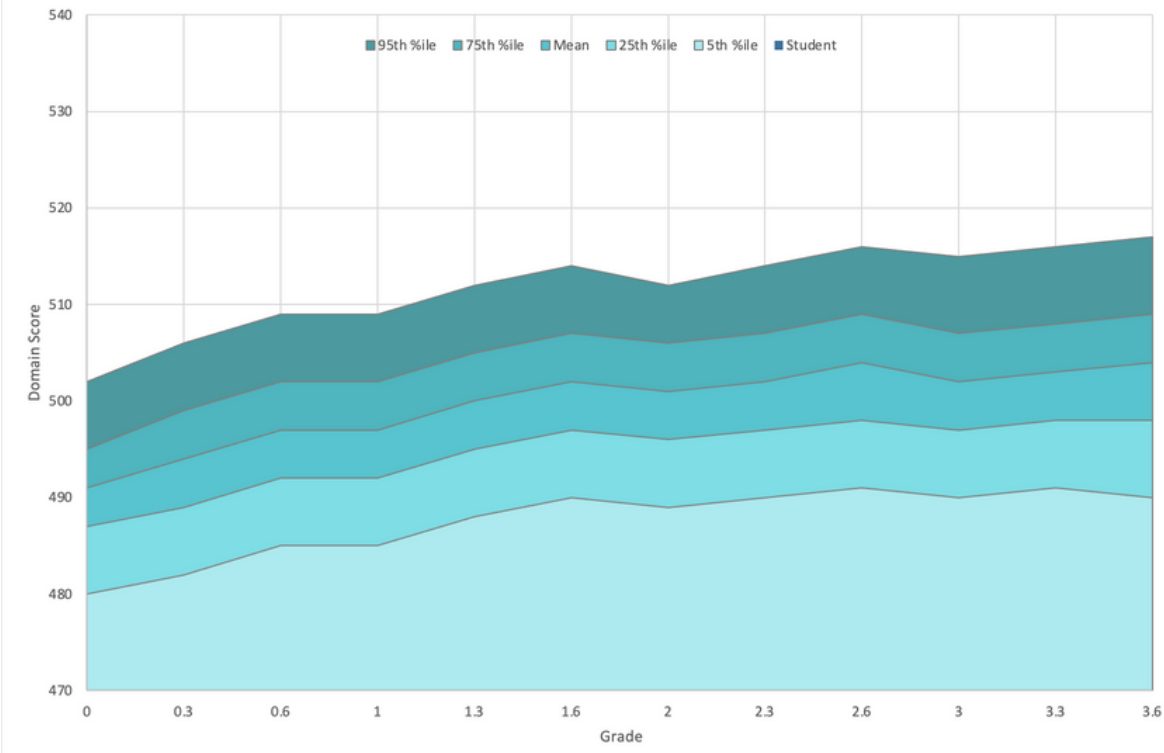

## Recommended Activities

Syllable Snake  
Word Construction

# Language Comprehension

Understanding words, sentences and groups of sentences in spoken or written language.

## Domain Score Over Time

George's language comprehensions score is **above average** compared to 3rd graders in the Spring.

Listening Comprehension	Picture Vocabulary
15 of 15 correct answers	15 of 15 correct answers
Meets expectations	Meets expectations

## Rapid Automatized Naming (RAN)

Measures the student's ability to quickly say the names of objects they recognize. People with slower RAN speeds often struggle with reading.

RAN speed generally increases with age, even among students who struggle.

This data is best interpreted by a reading specialist or psychologist. Please share this with your provider if you choose to have your child evaluated for learning disabilities.

	Time(s)	Images/second
